Software Information

Microsoft Office 365

All students have a free Microsoft Office 365 license linked to their school account, including **Word**, **Excel**, and **PowerPoint**.

Installation Instructions

1. Go to <https://portal.office.com>
2. Sign in with your **school email address**
3. Enter your **school username and password**
4. On the homepage, click **Install Apps** (top right)
5. Select **Microsoft 365 Apps**
6. Run the downloaded file (**OfficeSetup.exe**)

Adobe Creative Cloud

Students enrolled in certain courses (e.g., Visual Arts, Multimedia, IT) may be provided with an **Adobe Creative Cloud license**.

Installation Instructions

1. Go to <https://creativecloud.adobe.com>
2. Click **Sign In** (top right)
3. Enter your **school email address**
4. If prompted, select **Company or School Account**
5. Enter your **school username and password**
6. Click **Apps** → **Install** on the desired application

Connecting to School Wi-Fi

All students have access to the school's Wi-Fi on their BYOD device.

Instructions are available for a range of device types.

If you need assistance, please contact the **TSO (Technical Support Officer)** for help.
