During this presentation, we will highlight the many successful school based programs conducted at Lambton High School in welfare, learning support, environmental education, student leadership, gifted and talented education, in sport and in the creative and performing arts. At Lambton High School we believe in encouraging all students to take every opportunity to improve and widen their educational experience.

Key programs at the school include:

- **e<sup>3</sup> class (engage, enrich and extend)** - This is designed to cater for students who perform at a high academic level and are highly motivated and keen to extend themselves in their learning. **The main placement test date is Thursday 20 May 2021** (a second option is available on Friday 21 May 2021 for students unable to attend the main test date).
- **CAPA Enrichment** - Encompasses NESAs Drama, Music and Visual Arts syllabus content. The course of study offers Year 7 students a combined creative arts experience. After completing one year in the program students can then apply for an extension of this program for possible entry into the Acceleration program. Auditions will be held on **Monday 17 May 2021** (Visual Arts/Drama) and **Tuesday 18 May 2020** (Music).

**Applications for the e<sup>3</sup> and CAPA Enrichment class close on Thursday 1 April 2021.**

*"Applications and invitations to sit e3 testing and audition for the CAPA class will only be given and accepted from students that are **zoned (and confirmed via 100 points ID) locally to Lambton High School for 2022.**"*

Further information can be found on the school website: [www.lambton-h.schools.nsw.gov.au](http://www.lambton-h.schools.nsw.gov.au). Application to these programs is available to all students attending our partner schools and other interested schools and will be available on the school website from Thursday 11 March 2021.

At Lambton High School we continue to be a proudly comprehensive high school committed to improving outcomes for all students and the professional development of staff to facilitate quality teaching and learning. We look forward to you joining us for this presentation.
